D'MORSE'S INVICORATING CORDIAL

OR GENITAL DEBILITY, IMPOTENCY, INCONTI-NENCE, OR NOCTURNAL EMISSIONS, &c.—The as-NENCE, Oir NOUTURAL EMISSIONS, &c.—Ine as-tonishing success which has attended this invaluable medi-cine, for Loss of Muscular Energy, Physical Lassitude, and General Prostration, or any of the consequences of youthful indiscretion, or indulgence of the passion in riper years, ren-iers it the most valuable preparation ever discovered. In fact, as a remedy for the above complaints, it stands un-rivalled and alone. There is no other reliable remedy, or we that here authoritically received the spation of the rivalled and alone. There is no other remisole remedy, or any that has authentically received the sanction of the Medical Faculty. The WONDERFUL VEGETABLE PRY-DUCTION of which this medicine is composed has been tested, and its virtues proclaimed, by the highest mames of the faculty of London, Paris, and the chief cities of Europe. the faculty of London, Paris, and the chief cities of Europe, as well as by eminent Physicians in this country. It is the only infallible remedy for NERVOUS, HEAD, and MIND COMPLAINTS—the mental physic so long sought for and never before found—the only agent that can administer to MIND DISEASES. It will remove all nervous affections, DEPRESSION, EXCITEMENT, incapacity to study or business, loss of MEMORY, CONFUSION, thoughts of self-destruction, fear of insanity, &c. It will restore the appetite, renew the health of those who have destroyed it by Sensual Excesses or evil practices. It has been said by some that these disorders, emissions, &c., were incurable. This, however, is not the fact. This, however, is not the fact.
DR. MORSE'S INVIGORATING CORDIAL has cured

and is constantly curing, these complaints—relieving the mental and bodily incapacity of the unfortunate sufferer, as the following testimony of the names received will conclu-

mental and bodily incapacity of the unfortunate sufferor, as the following testimony of the names received will conclusively show:

Dr. Woodward, of ——, Massachusetts Insane Hospital, writes of one of his patients being cured by using this Cordial thus: "It gives me pleasure to inform you that one of my patients, while in Boston, procured some of your Cordial. He tells me that he has not had a single emission since he commenced taking it, while before he had two or three a week. When he applied to me," says Dr. W., "I thought it hardly possible for him ever to regain his full strength. I prescribed the usual mediene used in those cases in the hospital, but they had no effect. In the mean time he purchased some of your Cordial, which has effected a cure I am sure no other medicine would. I shall ever recommend it, whenever an opportunity occurs."

The nature of the maladies relieved by this Cordial are generally such as to leave the publication of certificates of ourse out of the question. The proprietor could produce a host of the most conclusive testimony to show that the great reputation it enjors was not accidentally obtained, but is firmly based upon its positive and apparently miraculous virtues. In all directions are to be found the happy parents of healthy offsprings, who would not have been so but for this extraordinary preparation. And it is equally potent for many diseases for which it is recommended.

THE MEDICAL JOURNALS
have not, in a single instance that has been authenticated,
given their sanction to any other preparation for the above

effected radical cures, after patients had been abandoned,
and their condition pronounced hopeless by medical practitioners of high professional character.

THE COMMON EXPRESSION
or those who have used this Extract is: "I had heard your
Cordial highly spoken of, but was one of the incredulous in
regard to its merits, having tried various medicines sold for
the same purpose, (different Sarsaparillas,) without deriving
any benefit. I had almost given up all hope of obtaining
relief, when I purchased some of your Cordial. I had no
faith whatever of its benefiting me—but it has. I feel
stronger, have had no emissions since, aithough it is not
three weeks. I am satisfied that the half a dozen bottles I
took will cure me."

Another says: "I had consulted several distinguished physicians. Some said I could not be cursel; others pre-scribed this thing and that; but I found no relief until I procured some of your Cordial. I must say it completely cured me."

procured some of your Cordial. I must say it completely cured me."

Another says: "I was surprised at the effect your Cordial had. Wily had I not heard of it before? It would have sayed me so much expense, besides years of mental and bodily suffering."
CAUTION.—Ask for Dr. Morse's Cordial, and take no other, as there are worthless imitations which its unrivalled excellence, fame, and popularity have brought into the market. It will not hurt the most delicate female, but de good. Beware of all other Cordials, &c., and try only this. It is put up in pint bottles, with the words Dr. MORSE'S INVIGORATING CORDIAL blown on the glass. Price \$3 per bottle; two bottles, \$5; six bottles, \$12; and \$24 per dozen.

DR. JOHNSTON
PROCLAIMS TO THE AFFLICTED
That he has discovered the most certain, speedy and efficacious plan of treating
SECRET DISEASES.
By his plan

that has ever yet been presented to the world. By his plan founded on observation made in the Hospitals of Europe and America, he will insure

A CURE IN TWO DAYS,

OB NO CHARGE.

No Mercury or Nauscous Drugs used.

Weakness, Loss of Organic Powers, Pains in the Loins, Disease of the Kidneys, Affections of the Head, Throat, Nose and Skin, Constitutional Debility, and all those horris affections arising from a Certain Secret Habit of Youth, that solinary practice, more fintal to its victims than the song of the Syrens to the mariners of Ulyases—blighting their most brilliant hopes or anticipations, rendering Marriage, etc., impossible.

impossible.

A CURE WARRANTED, OR NO CHARGE.

Young Men especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening Senates with the thunders of eloquence, or waked to ecstacy the living lyre, may call with full confidence.

MARRIAGE.

Married persons, or those contemplating marriage, being aware of physical weakness, should immediately consult Dr. J., and be restored to perfect health.

Office, No. 7 South Frederick street, Baltimore, Maryland, on the left hand side, going from Baltimore street, seven doors from the corner. Be particular in observing the name and number, or you will mistake the place.

DR. JOHNSTON,

Member of the Royal College of Surgsons, London, Graduato from one of the most eminent Colleges of the United States, and the greater part of whose life has been spent in the Hospitals of London, Paris, Philadelphia, and elsewhere, has effected some of the most astonishing cures that were ever known. Many troubled with ringing in the cars and head when asleep, great nervousness, being alarmed at sudden sounds, and bashfulness, with frequent blushing, attended somelimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

ed sometimes with derangement of mind, were cured immediately.

TAKE PARTICULAR NOTICE.

Dr. J. addresses all those who have injured themselves by private and improper indulgences, that secret and solidary habit, which ruin both body and mind, unfitting them for either business or society.

These are some of the sad and melancholy effects produced by early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dinness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c., &c.

Mentally.—The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forsbodings, Aversion of Society, Self Distruct, Love of Solitude, Timidity, &c., are some of the evils produced.

NERVOUS DEBILITY.

weakness of the system, Nervous Debility and premature decay generally arise from the destructive habit of youth, that solitary practice ase fatal to the healthful existence of man, and it is the young who are most apt to become its Victims, from an ignorance of the dangers to which they subject themselves. Parents and Guardians are often misled with respect to the cause or source of disease in their sons and wards. Alas! how often do they ascribe to other causes the wasting of the frame, Palpitation of the Heart, Dyspepsia, Indigestion, derangement of the Nervous System, Cough, and Symptoms of Consumption; also those serious Mental effects, such as less of Memory, Depression of Spirits, or peculiar fits of Melancholy, when the truth is, they have been caused by indulging in Pernicious but alluring practices, destructive to both Body and Mind. Thus are swept from existence thousands who might have been of use to Society.

DR. JOHNSTON'S INVIGORATING REMEDY FOR OR-NERVOUS DEBILITY. Society.
DR. JOHNSTON'S INVIGORATING REMEDY FOR ORGANIC WEAKNESS.

GANIO WEAKNESS.

This grand and important Remedy has restored strength and vigor to thousands of the most debilitated individuals, many who had lost all hopes, and been abandoned to die. By its complete invigoration of the Nervous System, the whole faculties become restored to their proper power and functions, and the fallen fabric of life is raised up to beauty, consistency and duration, upon the ruins of an emaciated and premature decline, to sound and pristine health. Oh, how happy have hundreds of misguided youths been made, who have been suddenly restored to health from the devastations of those terrific maladies which result from indiscretion I Such persons, before contemplating

MARRIAGE,
should reflect that a sound mind and body are the most necessary requisities to promote connubial happiness. Indeed, without this, the journey through life becomes a weary pilgrinage; the prospect heurly darkens to the view; the mind becomes shudowed with despair, and filled with the melancholy reflection that the happiness of another becomes highted with our own. Let no false delicacy prevent you, but apply immediately.

ed with our own. Let no least the apply immediately.

He who places himself under the care of Dr. Johnston may religiously confide in his honor as a Gentleman, and confidently rely upon his skill as a Physician.

TO STRANGERS.

TO STRANGERS.

The many thousands cured at this institution within the last ten years, and the numerous important Surgical Operations performed by Dr. J., witnessed by the Reporters of the papers and many other persons, notices of which have appeared again and again before the public, is a sufficient guaraty that the afflicted will find a skilful and honorable

guara by that the afflicted will find a skilful and honorable physician.

It is with the greatest reluctance that Dr. Johnston permits his card to appear before the public, deeming it unprofessional for a physician to advertise; but unless he did so, the afflicted, especially strangers, could not fall to fall into the hands of those imprudent, boasting impostors—individuals destitute of knowledge, name, and character—pedlars, shoemakers, mechanics, &c., advertising themselves as physicians; ignorant quacks, who keep you trifling month after month, as long as possible, and in despair leave you with ruined health to sigh over your guilling disappointment. It is this motive alone that induces Dr. J. to advertise, for he alone can cure you. To those unacquainted with his reputation he deems it necessary to say, that his credentials or diplomas always hang in his Office.

Weakness of the Organs immediately cured, and full vigor restored.

Business on Seventh street - A New and Beautiful Store.

· Within a few months to come 7th street, from the Avenue to the Post Office Department, will present a business-like and pleasing aspect exceeded by no portion of Pennsylvania avenue itself. The buildings recently finished and now in progress of erection are numerous and of a superior character; and among the newly-fitted and furished stores may be mentioned most prominently the Book and Stationery Store of Messrs. Gray & Ballentyne, a few doors above Odd-Fellows' Hall. This store is admirably finished, and arranged with great taste and skill. It comprises an excellent selection of religious and moral works, including the publications of Robert Carter & Brothers, of the Methodist Book Concern, of the Presbyterian Board, of the American Tract Society, of the American Sunday School Union, of the American Bible Society, together with many works peculiar to the Protestant Episcopal and Roman Catholic Churches. To this list is also added other works in every department of general literature and science, including all the approved school books, and every variety of blank books, stationery, &c.

We have just enjoyed a delightful range through this store, and feel convinced that we have no where ever beheld superior evidences of energy, enterprise, and intelligent design than it pre-

sents. Commencing, in a plain and modest way in this city a few years since, with little capital except intelligence, industry, and an honest fame, Mr. Gray rose step by step to a prominent position among our booksellers; and in his present effort to extend his field of operations, he has associated with him a gentleman of experience in his department of business, and one whose high attainments and talents cannot fail to commend him to the patronage and favor of the whole book-reading public, whom we would advise to seek this establisment in their rambles, and examine for them-

selves its well-furnished shelves and counters. Indians About.

A deputation of fourteen chiefs and braves of the Sac and Fox tribes arrived in Washington yesterday, whither they have come to settle some business with the government. Young Ke-o-kuk, the great chief of the Sacs, and Pow-e-cheek, great chief of the Foxes, are among the number. A son of Black Hawk also

Chinese Justice. It is said that a Chinaman in California was recently murdered by several drunken Indians. One of them was arrested and handed over to the Chinese and hanged. They did not, however, think this a sufficient retribution, but insisted that the white man who sold the Indians the liquor should also be executed. Singular men these Chinese in their notions of justice. They pay physicians fees when in health, and charge

for their sickness. Among the passengers by the Atlantic is Miss Fitzpatrick, from Drury Lane Theatre, who plays in the same line as Ellen Tree, and is cele-
